

Xiao-I Corporation Showcases Hearview Smart Glasses at Successful U.S. Launch Event

August 12, 2024

SHANGHAI, Aug. 12, 2024 /PRNewswire/ -- Xiao-I Corporation ("Xiao-I" or the "Company") (NASDAQ: AIXI), a leading artificial intelligence company, is proud to announce the successful U.S. launch of its innovative Hearview Smart Glasses. The event, which was streamed live on YouTube on August 8th at 7:00 PM Eastern Time, marks a significant step forward in technology designed to assist those with hearing impairments.

The Hearview Smart Glasses are a groundbreaking product that combines advanced auditory technology with intuitive design to offer users a more connected and accessible experience. By leveraging state-of-the-art AI, these glasses are poised to make a meaningful impact on the lives of the hearing impaired, providing a new level of engagement with their surroundings.

"We are excited to introduce the Hearview Smart Glasses to the U.S. market," said Mr. Hui Yuan, CEO of Xiao-I Corporation. "This launch represents our commitment to creating innovative solutions that enhance the quality of life for individuals with hearing challenges."

The event replay is available on the official Hearview YouTube channel at [Watch the Replay](#).

In conjunction with the launch, Xiao-I Corporation highlights a recent review of the Hearview Smart Glasses by a respected Key Opinion Leader (KOL) in the tech community. The review, accessible on YouTube at [Review Video](#), offers a comprehensive analysis of the features and benefits that make Hearview a standout in the smart glasses market.

About Xiao-I Corporation

Forward-Looking Statements

This press release contains forward-looking statements as defined by the Private Securities Litigation Reform Act of 1995. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements that are other than statements of historical facts. When the Company uses words such as "may," "will," "intend," "should," "believe," "expect," "anticipate," "project," "estimate" or similar expressions that do not relate solely to historical matters, it is making forward-looking statements. Forward-looking statements are not guarantees of future performance and involve risks and uncertainties that may cause the actual results to differ materially from the Company's expectations discussed in the forward-looking statements. These statements are subject to uncertainties and risks including, but not limited to, the following: the Company's ability to achieve its goals and strategies, the Company's future business development and plans for future business development, including its financial conditions and results of operations, product and service demand and acceptance, reputation and brand, the impact of competition and pricing, changes in technology, government regulations, fluctuations in general economic and business conditions in China, and assumptions underlying or related to any of the foregoing and other risks contained in reports filed by the Company with the U.S. Securities and Exchange Commission ("SEC"). For these reasons, among others, investors are cautioned not to place undue reliance upon any forward-looking statements in this press release. Additional factors are discussed in the Company's filings with the SEC, including under the section entitled "Risk Factors" in its annual report on Form 20-F filed with the SEC on April 30, 2024, as well as its current reports on Form 6-K and other filings, all of which are available for review at www.sec.gov. The Company undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the date hereof.
