2. We note your response to prior comment 5. Please address the following:

You indicate in section (3) that you provide technology development services under two scenarios. Please quantify for us the revenue recognized in the periods presented under each of these scenarios.

Please describe, in greater detail, the services provided in scenario (ii) where the technology development services are a distinct performance obligation and explain

how you concluded that these specific services should be recognized at a point in time.

Please revise your revenue recognition policy to address both scenarios and to clearly explain that scenario (i) results in a new customized software product or application.

You may contact Joyce Sweeney, Senior Staff Accountant, at 202-551-3449 or Christine Dietz, Senior Staff Accountant, at 202-551-3408 with any questions.
